

## **A Celebration of Black Flies?**

***It just flies in the face of everything you know!***

If you are familiar with the Hill Towns in the early spring, then you know the misery of the Black Fly or "May Fly" Season. If you're a tourist passing through, it is likely to be very quickly. Saturday, June 4, 2005 come and celebrate the season's end of those pesky varmints with an ALL DAY CELEBRATION!

This is when *Tolland* along with its neighboring towns of *Granville*, *Sandisfield* and *Otis* welcome you to a day of family fun. Each year has seen this event grow in terms of attendance and the variety of entertainment, exhibitors, games, food, and events.

*On the Tolland Green* you will find our *Souvenir Booth*, *Giant Raffle*, *Silent Auction*, and don't forget to visit our ever popular "*Fly Market*", a great combination of Crafters, Gardeners, Farm Products, Homemade items, Food, Antiques, Collectibles, Books and so much more!

Highlights include; *Parade* at 11:00 a.m., the *37th Mass Volunteer Militia* across the way in the field, entertainment, music, food, games, clowns, face painting and balloon making.

*Black Fly Day is "Fun for Funds"*; profits will be distributed to the Granville-Tolland Citizens Scholarship Committee, Granville-Tolland Lions Club, Sandisfield Historical Society and Otis-Sandisfield Kiwanis

This event is sponsored in part by the Tolland Historical Society and the Arts Lottery Council of MA.
